SURGrip™ Modular Screw Caddies

Patents: 8,162,138 & 8,272,508

Choose your individual screw plates

1.5mm • 2.0mm • 2.4mm • 2.7mm •
3.0mm • 3.5mm • 4.0mm • 4.5mm •
5.5mm • 6.5mm diameters

Patented SURGrip
no-lid retention virtually
eliminates lost screws during
surgery

- Maximum caddy solutions with minimal investment
- Mix and match plates with multiple base configurations to create customized screw caddies
- Stackable bases
- Simple, 2-screw installation of plates to base using just a screwdriver
- Steam sterilization compatible

Cases • Trays • Implant Caddies

SURGrip™ Modular Screw Caddies

Patents: 8,162,138 & 8,272,508

Screw Bases & Plates

1

60 & 115mm depth bases

Choose your screw bases

1 - 6 plate slots

All Bases Stackable

2 Choose your screw plates

- 5 screws per length on each plate
- Relevant screw gauge included on each individual plate
- Printed screw diameters, lengths, and gauge on each plate
- Color coded plates to easily identify each diameter screw
- Use multiple plates of the same size to increase quantity of each diameter screw length

1.5mm Plate

Salmon
6-12mm (1mm increments)
14-20mm (2mm increments)

2.0mm Plates

Green
6-14mm (1mm increments)
16-40mm (2mm increments)

2.4mm Plates

Gunmetal Gray
6-14mm (1mm increments)
16-40mm (2mm increments)

2.7mm Plates

Orange
6-42mm (2mm increments)
45, 50, & 55mm

3.5mm Plates

Neon Purple
8-72mm (2mm increments)

4.0mm Plates

Blue
10-34mm (2mm increments)
35mm
36-42mm (2mm increments)
45mm, 46mm, 48mm
50-100mm (5mm increments)

4.5mm Plates

Hot Pink
10-56mm (2mm increments)
60-90mm (5mm increments)
100 & 110mm

5.5mm Plates

Yellow
28-60mm (2mm increments)
65mm
70-100mm (10mm increments)

6.5mm Plate

Light Green
25-75mm (5mm increments)

- Patented silicone gripping feature eliminates the need for a lid
- Compatible with screw diameters from 1.5mm and up
- Holds screws from 2mm in length and up
- Compatible with most screw types
- Silicone rated to 10,000 hours of continuous prevacuum steam sterilization
- Grip tension compatible with pick-up tools
- Custom graphics available
- QR coding for inventory control available
- Custom diameters available
